**3. EDUCATION WILL SAVE US ALL!**

Everything you dream can be achieved through proper education. It is true some people are born with talents; however, it is also true that through proper education and hard work people can succeed in everything they want- no natural talent needed. If you believe in the power of education, this project is for you! Follow the steps below carefully and do not forget that you should be meeting with your teacher at all stages of the project to make sure your work is at acceptable standards.

**Your main task is to prepare a booklet about education. It will be 10 pages long.**

**Page 1:** A 'Cover Page' with your title, name, student number, class and a visual (picture, drawing etc.)

**Page 2:** Do research to discover the origins of education and write a **research paper** that states your findings and analysis. **Minimum 200 words.**

**Page 3:** How did education change throughout history? Compare education today and 50 years ago. **You can write a paragraph, do a chart, do a collage, draw, make a timeline with pictures etc. You choose how to shape this page.**

**Page 4:** Think about all the different fields of education in schools. **Make a list of these subjects and explain what they teach.**

**Page 5:** Create a **facts sheet** about education in Turkey. Include education from kindergarten to University level.

**Page 6:** Design a questionnaire of at least 5 original questions and interview a student or a teacher (you mustn't answer yourself, include the person's name on the page)

Some example questions:

- What do you know about the origins of education?
- What do you think about the subjects students study today?
- What do you think schools will be like in the future?

**Page 7 and 8:** Watch the **TED Talk** titled: 'What Adults Can Learn from Kids?' by Adora Svitak. Adora supports the idea that education is important because kids need opportunities to lead and succeed as future leaders. Write a **five-paragraph opinion essay** about the importance of education. Use the **opinion essay rubric** to guide your writing.

**Page 9:** Choose a high school or university and prepare a page introducing this school in detail.

**NOTE:** Submit items (pages 1-6) to your teacher by the **first check date.**
